Purpose: Chiropractic health equity continuing education. The Chiropractic Quality Assurance Commission (commission) is adopting the Department of Health (department) health equity model rules in amended section WAC 246-808-150 to implement Engrossed Substitute Senate Bill (ESSB) 5229 (chapter 276, Laws of 2021). The adopted rule establishes minimum standards for chiropractors of two hours of health equity continuing education (CE) every four years. The rule as adopted does not change the total number of CE hours but requires two hours in health equity CE every four years which is absorbed into the existing number of CE hours required. The health equity CE requirement is counted under existing, unspecified CE requirements for chiropractors.
