

2024 Community Photo Project

Celebrating Community Strengths

Photography allows us to share our cares and concerns for health and justice. It also provides new community connections and conversations about social, environmental and biological determinants of health.

We invite you to submit photos that capture the strengths, unique spirit or resilience of our community.

Participants whose photos we select will receive a **\$50 Visa gift card!**

Submission Categories:

1. *What factors in your community help promote good health?*

What are the positive elements and resources in your community that contribute to the well-being and health of its residents? These can include social service centers, daycare centers, the natural environment, community art, etc.

2. *What are the physical buildings and public spaces available in your community?*

Take photos of the physical infrastructure and communal areas present in your community. These can include public spaces like parks, community centers, and transportation hubs.

End Date: December 31, 2024 at midnight PST

Submission Guidelines:

- The photo contest is open to everyone and free to enter. We will prioritize residents of, and photos taken in Island County, San Juan County, Yakima county and Eastern Washington.
- There is a limit of three photographs per entrant.
- We do not accept print entries. Please submit only electronic files to the photo contest.
- Standard processing of the original file is acceptable. See below for more details.
- The electronic file name must include the entrant's first initial and last name. For example, "JSmith.jpeg" (include a number if submitting more than one, such as "JSmith1.jpeg").
 - We reserve the right to disqualify any entry considered unsuitable for consideration due to objectionable content. This includes profanity, nudity, drug, alcohol or tobacco use, or cruelty to persons or animals.
